2. The balanced from Item (1) will be divided by the number of hours in the program.
3. The quotient is the hourly charge for the program.
4. The amount to be refunded to the student for purposes of calculating a refund is derived by multiplying the total unattended hours by the hourly charge for instruction.

WITHDRAWAL FROM THE COURSE

The student has the right to withdraw from a course of instruction at any time. If the student withdraws from the course of instruction after the period allowed for cancellation of the agreement, which is through attendance at the first class session or the seventh day after enrollment, whichever is later, the school will remit a refund less a registration fee and kit supplies, if applicable, within 45 days following his/her withdrawal. The student is obligated to pay only for educational services rendered and for unreturned equipment. The refund shall be the amount that the student paid for instruction multiplied by a fraction, the numerator of which is the total number of hours of instruction which the student has not received but for which he/she has paid, and the denominator of which is the total number of hours of instruction for the course that he/she paid. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

Tammy Beauty Academy does not participate in federal and state financial aid programs. If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both the following may occur: The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

Shortly after beginning the 1600 clock-hour course, the student withdrew from the course and demanded a refund for the balance of the hours not attended or not completed. Below are the calculations for the pro-rata refund. Registration fee is not refundable.

As a policy, Tammy Beauty Academy shall not provide refund to the student for used kits due to sanitary reason.

1. Tuition divides 1,600 clock hours = \$1.69/hr
2. The balance of unused hours multiply by the cost per clock hour
(1,600 - 600) x \$1.69/hr = \$1,687.50

The student is entitled to a refund of \$1,687.50 for the 1,000 unattended hours of classes. Tammy Beauty Academy shall pay or credit the refund due on a reasonable basis, not to exceed 30 days following the date upon which the student's withdrawal has been determined.

NOTICE OF STUDENT RIGHTS AND GRIEVANCES

The student may cancel his or her contract for school, without any penalty or obligations provided that a written notice of cancellation is made prior to or on the first day of instruction or the seventh day after enrollment, whichever is later. Tammy Beauty Academy will refund 100 percent of the amount paid for instructional charges less a \$100 non-refundable to all students without penalty or obligations. If the student received kit, the institution will not accept return of kit due to sanitary reason. The student must cancel in writing. The student does not have the right to cancel by just telephoning the school or by not coming to class. The student can submit a Notice of Cancellation, which will be provided to him/her at enrollment, to the school Director at 12235 Beach Boulevard, Unit 2, Stanton, CA 90680. Tammy Beauty Academy has up to 45 days from the date that student's withdrawal has been determined to credit the refund to the student. Read the Notice of Cancellation form for an explanation of the student's cancellation rights and responsibilities. The student may ask for another copy of the Notice of Cancellation form if he/she has lost or misplaced it.

1. After the end of the cancellation period, the student also has the right to stop by the school at any time, and that student has the right to receive a refund for the part of the course not taken. His or her refund rights are described in the contract. If the student loses the contract, he or she may ask for another copy.
2. If the school closes before the students graduate, the students should first request a refund from the school for any unused funds.
3. Students can use an internal process first to file complaints but it is not required that they should do so. The students can contact the Bureau at any time. The student can file complaints to Tammy Beauty Academy by following the steps below:
